Please replace the Bristol Bay line item with the following:

Bristol Bay Assessment:

The Bristol Bay team is preparing an executive briefing for Bob S, Nancy S, Dennis M (R10 RA) and Paul A (ORD AA) on the details of the BB assessment effort (i.e., assessment purpose, objective, key tasks, progress on key tasks thus far, and schedule).

A date and time for the briefing that works for all 4 executives has not yet been established.

WARRB:

I am attaching the updates to the OW Talking Points. These are due to Sineta in one hour, and I only have updates from Abu and Damaris. I will be in meetings the rest of the day, so if you have updates to add, please use the attached to add them in, and reply to all so that others have this document to work from.

Thanks,
Stacie
